Farm Garden In A Wheelbarrow Registration Form

The Sacramento County Fair is offering free educational material for use in your class, to educate your students on the source of food and fiber. The program is open to public, private, or charter schools, preschools, home school groups, after School Programs or 4-H clubs.

We provide a wheelbarrow, seeds, soil and teaching materials to plant a salad garden.

* If you are **new** to the program, attend a brief workshop and receive these materials in exchange for an agreement to have the students exhibit their results.

*If you are **returning** to the program, you may stay for a very brief reminder of the program in exchange for additional materials.

*Class ribbons will be given for the “winners” in each grade level.
