Extreme Dinosaurs & Reptiles

Free with
Admission!

Step back in time 66 million years ago and roam with the dinosaurs. After thirty years of exhibit creation experience the paleontologists have created dinosaurs to look, move and sound just as they might have millions of years ago. The interactive animatronic dinosaurs will roar in their natural habit and then you will step forward in time and learn what a dinosaur has morphed into today. Through the passion of education and the natural world Brad's World brings some of the most mysterious, reptiles, amphibians, and other exotic animals that will raise your curiosity.
