

HOW TO BID VIRTUALLY

*This is not a live auction, but virtual (ebay style), we will not have an auctioneer.
Bidding may be done on your phone or on a computer.*

PRE-BIDDING FOR ALL OPENS MAY 21, 10:00 A.M.

**SALE OPENS 10:00 A.M. MAY 22 for Sheep, Goats & Steers
& 10:00 A.M. MAY 23 for Pigs, Turkeys, Rabbits & Eggs**

STEPS TO BIDDING

1. All buyers must go to sacfair.com to register to bid. It is very important to make sure your cell number is listed **NOT A LANDLINE**, and a correct email. If you have registered before, your password is your past buyer number. If you don't know your buyer number, call the office at 916-263-2975 or call Pam's cell at 602-743-9990.
2. Once you have registered to buy or confirmed your information is all correct, nothing happens until May 21st, 2020. On May 21st, go to sacfair.com to enter the auction site. Once you go to the auction platform to bid, search for your name in the dropdown menu and then you will REQUEST a login code and the system will text you your bidding password/code. Enter the 4 digit code under your name and Sign In. If your name does not appear in the dropdown menu, please register as a New Buyer. Pre-bidding opens on May 21st. Please remember, your computer will time out, so hit the refresh button.

Your password/code is unique to each buyer. If you are buying for multiple buyers, make sure you use the correct password/code. This password/code is your bidding password for the auction. On May 21st you can either preview the system, place all your bids or spend your entire budget for the auction. You will receive a text to your cell number when, and if, you are outbid.

You will receive a buyer sale order prior to the sale. We suggest that you continuously check the auction platform for current selling times as the computer updates in real time. Each lot will be given 1.5 minutes to sell. If there is a bidding "war," the sale will be extended by 1 additional minute. Therefore, we suggest the times of opening could vary by 15 minutes in the sale catalog.

3. Go to sacfair.com to access the platform. Auction opening times are when each individual animal actually sells. We have allotted 1.5 minutes for each lot. We suggest utilizing the pre-bid process to place all your initial bids and or your entire budget. You will receive a text if you are outbid. If you prefer to bid when the individual animal is on "block," please review the opening times in the "sale catalog." Pre-bidding can be used to place all your bids prior to the opening of the auction or just to familiarize yourself with the platform.

**Sheep, Goats and Steers close on May 22nd by the approximate time on the sale platform
Pigs and all small animals close on May 23rd by the approximate time on the sale platform**

If you are the lucky purchaser, please follow the prompts to choose custom or resale and, if applicable, choose the butcher of your choice. Remember, you choose a butcher only if your animal is custom and you want the meat.

If at any time you need assistance, please call the office at 916-263-2975 or 602-743-9990. Please answer any unidentified numbers as staff will be utilizing personal cell numbers.

BILLING

As the lots close you will receive a sale invoice email from the SCF office with your individual lots that you purchased. You don't need to return this, just verify the information is correct. A SCF staff person will be calling you to verify all information. If you are a volume buyer, we will contact you at the end of the sale. Please answer your cell phone!

Add-ons will remain open until midnight on June 5th. Please utilize the auction site at sacfair.com

THANK YOU FOR YOUR SUPPORT!
