Sacramento County Fair

52nd District Agricultural Association

Buyer Registration: When you register as a buyer you will be given a number card for each individual or organization you will be representing at the sale. Upon being awarded the successful bid on an animal, please display the buyer number assigned to the party to be billed, to the auctioneer. Also, distinguish the disposition by flashing the letter "R" for resale or the letter "C" for custom. To help us confirm your purchase information, please remain seated until you have signed the sales invoice. Settlement may be made once your paperwork has completed its route through the data processing.

You may pay with cash, check or Mastercard/Visa at purchase.

Resale: The animal will be automatically resold for you at the current market price. This amount is listed on the following page. This is a "price per pound". You are responsible for paying the difference between your bid price and the resale price.

Custom: The animal will be processed for you by the service of your choice. When settling your account, be sure that the correct cut and wrap service is noted on your sales invoice. Please include two telephone numbers where you can be reached. Contact your cut and wrap service by Wednesday, May 28th, for instructions. If you do not contact your cut and wrap, the plant will not know how to process your cut and wrap. In order for you to pick up your meat your animal must be paid for in full. Payments for cutting, curing, and wrapping is paid directly to the cut and wrap service you have selected.

FINANCE CHARGE: A finance charge of 20% per month (18% per annum) may be added on any amount over 30 day past due.

THANK YOU FOR YOUR SUPPORT!
